ABOUT

The TEAM project brings together world class higher education and research institutions as well as industrial partners in the field of **Information and Communication Technologies and its applications**. As an Erasmus Mundus Action 2 Programme, the TEAM partnership provides a platform for joint research and academic exchange by offering scholarships to talented junior and senior ICT researchers for a mobility in Europe, Japan or Republic of Korea.

WHO CAN APPLY ?

Doctorates and Post-doctorates, who are:

- Nationals from EU, Japan or Republic of Korea
- Studying and/or doing research in the field of ICT and its applications
- Fulfill one of these conditions:
 - *Registered or employed at one university of any EU member state, Japan or Republic of Korea*
 - *Have obtained a university degree by an institution of any EU member state, Japan or Republic of Korea*

THE TEAM SCHOLARSHIP OFFERS

- A unique chance for a research period at one of the TEAM partners in EU or Japan/Republic of Korea
- A monthly allowance, round trip ticket Japan/Republic of Korea <-> EU, full insurance cover
- Duration and monthly allowance depending on type of mobility

HOW TO APPLY ?

Via an online application tool, you can apply to up to two different academic offers or build your own project with a TEAM partner university.
